

The Course for the Wood Badge

Best Adult Class – EVER

www.baltimorebsa.org/woodbadge

Is it possible to have too much knowledge? Is it possible to be too prepared? Is it possible to be too good at what you do?

Regardless of how long or short your time in Scouting has been, if there was an opportunity to get better at it and help other adults and Scouts to do the same, would it make sense to do it?
Join others who also said YES to lifelong learning and “helping other people at all times.”
